A PUBLICATION OF THE WASHINGTON TOWNSHIP PTA

:: PRESIDENT'S COLUMN ::

Happy Spring!

I cannot believe May is upon us. This year has gone so fast and we are already in the 4th Marking Period. I would just like to take this opportunity to thank all of the wonderful volunteers, staff and teachers who have helped with the many parts of the PTA program this year.

It takes a lot of work to put all the programs together and for everything to run smooth and Washington Township PTA has the best of the best when it comes to volunteers, staff and teachers. We are all in this for one thing and that is our children. The children are the forefront of what we do and when the smiles come on their faces, we know that the job we have done was well worth it.

I cannot say thank you enough for making my job as PTA President so much easier. Please take a moment sometime this month and pat yourselves on the back you all deserve it. Again thank you and HAPPY MAY!

Tracy Smith
PTA President
